All those who audition are expected to prepare 28 - 32 measures of a song from a musical or related genre. You must bring your own piano sheet music or a CD/iPod accompaniment track and a CD or iPod player. Music Director Cactus Harris will play the piano to accompany you. No ipod players or cd players will be available, please bring your own if you plan to sing with a cd or ipod recording. Be prepared to learn a simple dance and to read from the script.

Rehearsals will be held in Paso Robles starting late July. The show dates are September 20 and 21.

Following last year's smash hit of *Man of La Mancha*, presented free to the public, *South Pacific* is expected to draw crowds of over 2,000 people to enjoy the musical in the park, under the stars. The Play in the Park Series has been presenting free theatrical entertainment to the community for seven years.

*South Pacific*, winner of 10 Tony Awards and the Pulitzer Prize, is set in an island paradise during World War II. Two parallel love stories are threatened by the dangers of prejudice and war. Featuring a large chorus of Seabees, sailors, female nurses, officers and islanders, the show offers wonderful roles for local talent.
